Dear Director and Preisidential Candidate Divsion Election

My name is JIM ROGERS AND I AM RUNNING FOR PRESIDENT OF THE UNITED STATES OF AMERICA AS OF NOVEMBER %, 2007, 11 5- 200007 of last week.

I have expended no mney on my campaign yet. I udnerstand that I do not have o reoport anything to the Fedederal Edelection Commission or anyone wise until I ve expended five thousand dollars campaign money. When and if I do I will notify ou withtheyapproatation forms soon thereafter.

I pay for all my expenditures costs ads et c in advance. I do not operate ny credit purchases for my campign N' one is to raise any money for me and I ave no agents, money raisers, et c that collect any money for me. Anyone rasing money in my name isNOT APPROVED BY ME AND A FRAUD.

I will sign off persoanl on all expenditures and payments. I will provide my wn money tor the campaign. I do not accept donations, any thing of value or any fts or others contributions of any kind. I underand that voleteers are not a chareable item if they are unpaid that is they work free then there is not charge off to my campaign. I also understand that any filing fees to get on the ballot in any state does NOT COUNT AGAINST MY FIVE THOUSAND DOLLARS CAMPAIGN EXPNEDITURES. BY WAITING UNTILNOW I HAVE AVOIDED THE AID COSTS OF RUNNING WITHOUT ACTUING RUNNING IN A STATE AS A FILED CANDIATE AND I PLAN TO FILE IN AS MANY STATESAS I CAN AFFORD TO AND CANMAKE THE DEADLINE..

I am providing this summary of what I understand from the liturature, you sent o me and I understand that once I reach five thouand dollars expenditures I must hen file the appropate forms with you. IN fact! I was told by phone that I did ot have to file anything with anyone regarding my campaign expenditures unless I reach and until I reach the five thousand dollar filing threshold.

I wish you all the best. God bless you in your live andork there Tdank youfor ending ths forms to me and liturature. I will not be asking for any unds from the federal government at all such as candiate matching funds either. I think candidates should ough it andrough it so they know our government s not a chaity to be tapped and that th- taxpayers actually pay for all is sutff unless they covert it with deficit spending and greater debt. I of urse oppose that. Any case I am for the USA American citizen and his needs

rst ahead of everything else except mabye our great military which defends us and must be paid for. You guys in Teh government need your salaries paid cause you do g jobs very well JIM ROGERS FOR PRESIDENT
